## PETROPLAN EMERGENCY RESPONSE ORGANISATION

Petroplan has established an emergency response room at its head office to handle major incidents such as a critical security event or accident involving injury to multiple people. Please call the 24/7 emergency call-out number below as soon as you become aware of such an incident:

### **24/7 Emergency Call-out Numbers**

**Global: +44 (0)20 3856 1045**

**North America: +1 (587) 883-8578**

You will be put in contact with a senior management team member who will advise on how to proceed.

Please have the following information available before making the call:

- What has happened
- Where has it happened
- Current status of personnel (if known)

There are no dedicated telephone numbers for local Petroplan offices and in emergencies they can be contacted through the 24/7 emergency response numbers above.
